### OVERVIEW

*Legends of Dragons, the Card Game* is a **bold** and **fun** experience that combines **imagination**, **strategy**, and **conquering**, in order to achieve the goal - **utter dominance over the opponent(s)** with your armada of **Dragons**. Players use decks of 50 cards to **attack** and **defend** with **Dragons** of many types and colors. Play as: **1-player**, **2-player vs**, **Teams**, or **Multiplayer**. For an added challenge, players may use up to 6 six-sided dice to **increase** the difficulty!
